## **UPDATED DELIVERY FEE**

To all of our valued customers:

Starting February 1, 2022:

With the ever growing Atlanta traffic and rising cost of operations, we have found it necessary to increase our fees for delivery. The delivery fee will now be \$25.00 for all orders less than \$200.00, effective February 1, 2022. The minimum order for delivery still stands at \$100.00, including hard goods..

Customers are still welcome to walk in and we are here to happily serve you.

Any questions, please feel free to ask.

Thank you in advance for your understanding.

Best Regards,
